PRESIDENT'S MESSAGE for June 2007

Hello everyone,

The 2 x 4 contest and the Annual Tool Auction are both history now. Angel Ranon took first place while George Dinsmore took second. Check out the photos in this issue.

This month's program will be a Wood Turning demonstration by George Dinsmore. He is bringing in a lathe so it will be a real woodworking event. This is the one shop tool, which you can use to create and finish a project with one machine.

The HCC wood working class started on June 9th. We had 9 students in the first class. I want to thank each of the club members who have volunteered their time to help make it a success.

Only half of our members have paid their dues to date. Please pay your dues as the money is used to provide the snacks, supplies, and events we all enjoy. The club expenses continue and the cost is only \$25.00 for the year or \$12.50 for ½ year. Please see Joan Ochoa to get this settled.

See you at our next meeting on June 21st!
